Sir,

With reference to your letter No.C.281 dated the 22nd July 1927 in regard to providing china matting for the third Member's room,

I have the honor to inform you that the fact of having met the cost of China matting for the General & Revenue Secretariat Library from the funds of this Department does not seem to be sufficient authority for meeting the present expenditure also.

As stated in the Chief Engineer's letter No.10934 dated the 13th May 1927 to your address, the Comptroller has taken objection

GOVT. ENGINEERING CONTRACTOR AND MERCHANT

10TH CROSS STREET, CUBBONPET

No. 1892

Bangalore City, 16th January 17 1928.

Most Esteemed Sir,

It is with feelings of keen disappointment that I beg to approach you and represent as follows.

About December 1926, the Assistant Engineer No.1 Sub-Division, Bangalore asked me to undertake "china matting" the present Third Member's Chambers at an estimated cost of Rs.125/-.

By February 1927, the work was completed and the bill of actual costs Rs.95/- was forwarded to the Registrar, General and Revenue Secretariat for arranging payment. After its moving up and down and backward and forward from the Secretariat and Public Works Department, it was finally sent back by the Assistant Engineer in June 1927 for arranging payment from the Secretariat funds.

The bill is pending with the Registrar Mr.C.E.Rama Rao for the last 8 to 9 months, undisposed of. I have seen him several times about this but I am sorry I have had to speak out very loudly to make him hear what I said to him. Each time I went to him, I had to stand before him like a Statue for half to one hour without being even asked as to why I was standing before him. His treatment of me, I am sorry to say, was very insolent. Apart from this ill-treatment, has he disposed of the bill? No, an emphatic negative. Last month the Assistant Engineer made a reference to the Secretariat again for immediate adjustment of the bill but in vain.

The matter is too simple to remain undisposed of till now, when it is over 9 months. I am losing interest also. I humbly pray that the Dewan Saheb may be pleased to order immediate settlement of my bill amount.

I respectfully beg to state ~~that~~ in this case the bill was received in the last week of June 27 from ~~the~~ P. W. D for payment by the G.R.S. As the cost of similar matting for the G. R. S.
